(Scheduled Bank owned by Government)

Head Office:: Guntur

RFP Ref. No.: GEM/2026/B/7692017 dated 25/06/2026

Corrigendum/Addendum-1 Dated: 13-07-2026

#	Tender Clause / Term	Existing clause	Query Received	Clarification
1	Annexure-5 Eligibility Criteria	Relaxation only for MSE/Start-up: Bidder must have supplied minimum 1000 Nos. of the proposed Make Desktop Computers to Scheduled Commercial Banks/Regional Rural Banks/Central or State Government organizations during the last three years.	Although the tender provides Startup/MSE relaxation, this mandatory prior supply requirement effectively nullifies the benefit of such relaxation because Startups are still required to satisfy the same experience criteria as established bidders. This defeats the objective of GFR Rule 173(i), Startup India, PPP-MII Order 2017, and GeM OM dated 22.09.2025. It is respectfully suggested that this requirement be made inapplicable to DPIIT-recognized Startups.	Please Refer Corrigendum/Addendum-1
2		Relaxation only for MSE/Start-up: Bidder must have supplied minimum 1000 Nos. of the proposed make All-in-One Desktop Computers to Scheduled Commercial Banks/Regional Rural Banks/Central or State Government organizations during the last three years.	As per MeitY, Government of India, both Desktop Computers and All-in-One Desktop Computers fall under the category of Desktop Computers. The difference is only in the physical design (form factor), whereas their computing functionality, intended use and technical characteristics remain substantially similar. Therefore, insisting on separate supply experience for both Desktop Computers and All-in-One Desktop Computers is technically unjustified and unnecessarily restrictive. Experience in supplying Desktop Computers should reasonably include All-in-One Desktop Computers and vice versa. The Department is therefore requested to merge these requirements by accepting experience of Desktop Computers (including All-in-One Desktop Computers) instead of insisting on separate experience for both categories.	Please Refer Corrigendum/Addendum-1
3		OEM/Bidder should have Service/Support facilities in the Bank's operational area covering all 22 districts of Andhra Pradesh (Annexure-18).	Requiring existing service/support infrastructure across all 22 districts of Andhra Pradesh at the bid stage significantly restricts participation to vendors already operating in the State and creates an impression that the eligibility favours regional or incumbent bidders. Government procurement through GeM is intended to be open to all eligible Indian bidders and not	Please adhere to the Terms & Conditions of the RFP

ANDHRA PRADESH GRAMEENA BANK

#	Tender Clause / Term	Existing clause	Query Received	Clarification
			limited to vendors having pre-existing infrastructure in a particular State. Capable bidders can establish the required service network after award of the contract. It is therefore suggested that the successful bidder be permitted to establish service/support facilities after award of the contract and before installation/commissioning, thereby ensuring compliance with Rule 144 of GFR 2017, PPP-MII Order 2017, GeM procurement principles, and promoting wider nationwide competition. 6	
4	Annexure-5 PAGE 60 Clause-4	The Bidder or firm should have an average Turnover of ₹25 crore or above & OEM company should have an average Turnover of ₹100 Crore or above respectively during the immediate last 3 Financial Years in India (F.Y. 2022-23, 2023-24 & 2024-25). Relaxation only for MSE/Start-up: The Bidder or firm should have an average Turnover of ₹15 crore or above & OEM company should have an average Turnover of ₹100 Crore or above respectively during the immediate last 3 Financial Years in India (F.Y. 2022-23, 2023-24 & 2024-25).	Already mentioned in the tender at Page No. 42, Clause Nos. 74.1 to 74.5, wherein full exemption/relaxation has already been provided for DPIIT Recognized Startups. As per General Financial Rules (GFR), 2017 - Rule 144, procurement shall be conducted in a fair, transparent, competitive and non-discriminatory manner ensuring maximum competition and value for public money. As per GFR, 2017 - Rule 170(i), eligible DPIIT Recognized Startups are entitled to exemption from Earnest Money Deposit (EMD), wherever applicable. As per GFR, 2017 - Rule 173(i), eligible DPIIT Recognized Startups are entitled to relaxation from prior turnover and prior experience requirements, subject to meeting the prescribed quality and technical specifications.	Please adhere to the Terms & Conditions of the RFP

#	Tender Clause / Term	Existing clause	Query Received	Clarification
			Further, Ministry of Finance, Department of Expenditure Office Memorandum No. F.20/2/2014-PPD(Pt.) dated 25.07.2016 provides exemption from prior turnover and prior experience for DPIIT Recognized Startups. The same has also been recognized under DPIIT Notification G.S.R. 127(E) dated 19.02.2019, issued by the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India. Further, Public Procurement (Preference to Make in India) Order, 2017 (PPP-MII) [Order No. P-45021/2/2017-PP(BE-II), as amended], Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 (as amended), GeM General Terms & Conditions Version 1.29 dated 25.03.2026, GeM Office Memorandum No. 2025/GeM/Policy/01 dated 22.09.2025, and the Startup India Initiative direct procuring entities to avoid restrictive eligibility conditions and promote wider participation of DPIIT Recognized Startups, MSEs and Class-I Local Suppliers. Therefore, this additional qualification criterion is already covered under the exemption/relaxation provided at Page No. 42, Clause Nos. 74.1 to 74.5 of the tender as well as under the above Government of India Rules, Orders, Notifications and Procurement Policies. It is therefore requested to kindly remove this additional qualification criterion and align the tender with the prevailing Government of India Procurement Policies.

#	Tender Clause / Term	Existing clause	Query Received	Clarification
29	Processor	Intel® Core™ i5- 14th Generation or equivalent or higher, Bidder should quote Processor with Minimum specification of “2.5 GHz frequency, 4.8 GHz Turbo frequency, 24 MB Cache, 14 Cores, 20 Threads”. If bidder quoting an equivalent or Higher processor, the bidder has to submit the relevant GOI guidelines, stating that quoted processor is an equivalent or Higher processor ”.	Intel 14th generation Core i5 processor or AMD Ryzen 5 8000 Series processor; with 2.5 GHz base frequency or higher and 5.0 GHz Turbo frequency, 22 MB Cache, 6 Cores, 12 Threads. The Processors should not be mentioned in end-of- life declaration by OEM as on bid calling date, launched on or after Jan 2024. Kindly mention the latest generation or launched after 2024, as this will qualify n-2 processor for Intel, as Intel 14th Gen and AMD Ryzen 8000 series is available with all the OEM’s, further this will encourage level playing field. Mentioning only Intel is objectionable as it is Proprietary, and further it creates monopoly on the component level.	Please Refer Corrigendum/Addendum-1
30	Page-7 Clause-13	Pre-Contact Integrity Pact	The stamp paper on INR 200 mentioned, but the same in page no 99 in the format it was mentioned as INR 500/-. Request you to please clarify the same...	Please Refer Corrigendum/Addendum-1
31	Page-11 Clause-10.2	Delivery mentioned as 4 weeks from the acceptance of PO	Request you to please amend as 8-10 weeks from the date of PO. Keeping in view of the current material constrain in terms of memory, storage etc., and also the ongoing global geopolitical conditions also an additional factor to be considered.	Please Refer Corrigendum/Addendum-1
32	Page-11 Clause-10.3	installation should be complete within 2 weeks	Request you to amend this installation period is min 3-4 weeks since	Please adhere to the Terms & Conditions of the RFP.
33	Page-20 Clause-20.1	All the hardware or required components should be shipped directly from OEM to Bank premises.	Request you to amend as directly from OEM / OEM Authorized Partners to bank premises	Please Refer Corrigendum/Addendum-1

ANDHRA PRADESH GRAMEENA BANK

(Scheduled Bank owned by Government)

Head Office:: Guntur

RFP Ref. No.: GEM/2026/B/7692017 dated 25/06/2026

Corrigendum/Addendum-1 Dated: 13-07-2026

#	Tender Clause / Term	Existing clause	Query Received	Clarification
34	Page-30 Clause-46.1	Price Validity 180 days	Request you to consider price validity period up to 30 from the date of PO, since there is lot of volatility in components prices on account of global AI data centers supply demand issue. Most of the OEMs are giving only 15days price validity.	Please Refer Corrigendum/Addendum-1
35	Page-47,48 Clause-7,13,14,15	New Software OS installation, Data Transfer, MS office, Finacle software installation,	Request you to please consider these installation process of software's, Operating system installation, Data Transfer etc., are one time job while installation of the computers at branches.	Please adhere to the Terms & Conditions of the RFP.
36	Page-50 Annexure-2A	Memory 16GB DDR5 4800	Request you consider DDR4 4800 or Higer. Since the memory availability is most critical now a days because of non-availability and shortage in the world-wide market because of AI impact for Data Centers upgradation. If you consider DDR4/DDR5 based on the availability we can able to supply the products without any delay.	Please adhere to the Terms & Conditions of the RFP.
37	Page-51 Annexure-2A Desktop	512 GB M.2 PCIe NVMe SSD or better with Min. 2 No of M.2 Slots or better maximum support up to 2 TB	As required 2 M.2 slots are available, one is for HDD and another one is used for WiFy or Bluetooth. 1 socket is for storage and another can be used for wify.	Please adhere to the Terms & Conditions of the RFP
38	Page-54 Annexure-2B AIO	Bus architecture: Min 1 No of PCI Express X16, Min 1 No of PCIe X 1 /PCIe/PCI.	This feature is not applicable in AIO desktops. It will available with normal desktops	Please Refer Corrigendum/Addendum-1
39	Page-54 Annexure-2B AIO	Min of 180 W 90% Energy Efficiency or Higher	Request you amend power supply min 120W with min 85% or above power efficiency. Because AIO desktops will consume lesser power supply than the desktops. And power efficiency min 85% will enable more bidders to be participate the tender.	Please Refer Corrigendum/Addendum-1

ANDHRA PRADESH GRAMEENA BANK

RFP Ref. No.: GEM/2026/B/7692017 dated 25/06/2026

Corrigendum/Addendum-1 Dated: 13-07-2026

	Representations in GeM	Bank Remarks
1	Dear Sir Please refer to page 60 SN 4 wherein you have asked OEM should have average turnover of RS 100 Crore , We request you to allow relaxation to MSE OEMs in turnover to 40 Crore so thier is wider participation.	Please adhere to the Terms & Conditions of the RFP
2	In Technical specification for both Desktop and AIO you have asked for Intel processor only , we request you to kindly allow AMD Ryzen processor also reason being that The Current Situation with Intel Processors is very poor with very less visibility.Under Such Circumstance,delay in providing Intel Processors based Desktop and All in one PC is bound to take place Hence we request you to kindly accept our proposal to make it Intel/AMD whichever CPU is best suited and best availed the bidder will be free to quote with them	Please Refer Corrigendum/Addendum-1
3	Startup Exemption Becomes Meaningless The bid expressly provides relaxation for DPIIT-recognized Startups/MSEs, yet the ATC mandates prior supply of 1000 Nos. of the proposed make desktops to Scheduled Commercial Banks/RRBs/Central or State Government organizations. This condition effectively compels Startups to meet the very prior experience criteria from which they are intended to be exempt, rendering the Startup relaxation merely illusory and without any practical benefit. Kindly Specify the Legal Basis We respectfully request the department to specify the exact provision under the Government of India procurement policy, GFR 2017, GeM General Terms & Conditions, Startup India/DPIIT notifications, or any Ministry/Department guidelines that authorizes a procuring entity to grant Startup exemption while simultaneously imposing a mandatory prior supply requirement that defeats the very purpose of such exemption.	Please Refer Corrigendum/Addendum-1
4	Request for Immediate Amendment In the interest of fair competition, transparency, and compliance with the objectives of Startup India and Make in India, we request the department to delete or exempt DPIIT-recognized Startups from the requirement of prior supply of 1000 desktops, failing which the Startup exemption mentioned in the bid becomes ineffective, discriminatory in practice, and contrary to the intent of Government of India procurement reforms promoting Startup participation.	Please Refer Corrigendum/Addendum-1

ANDHRA PRADESH GRAMEENA BANK

(Scheduled Bank owned by Government)

Head Office:: Guntur

RFP Ref. No.: GEM/2026/B/7692017 dated 25/06/2026

Corrigendum/Addendum-1 Dated: 13-07-2026

5	The bid provides exemption for DPIIT-recognized Startups/MSEs; however, the ATC simultaneously mandates prior supply of 1000 Nos. of the proposed make desktops, which completely nullifies the Startup exemption. If a Startup is still required to satisfy the same prior experience condition, what is the actual benefit of granting the exemption? We respectfully request the department to clarify the specific Government of India/GeM/GFR/Startup India provision under which such a restrictive condition is permitted, or kindly exempt DPIIT-recognized Startups from this requirement in line with Gol procurement policy.	Please Refer Corrigendum/Addendum-1
6	The bid provides relaxation for MSEs/DPIIT-recognized Startups; however, the ATC simultaneously requires prior supply of 1000 Nos. of the proposed make All-in-One Desktops, making the Startup relaxation ineffective. If a Startup is still required to fulfill the same prior supply experience as other bidders, what is the actual benefit of providing Startup exemption in the bid? Kindly clarify the specific Government of India/GeM/GFR 2017/Startup India/DPIIT provision that permits imposing such a mandatory prior supply condition while granting Startup relaxation. In the interest of fair competition and the objectives of Startup India, the above condition may kindly be made inapplicable to DPIIT-recognized Startups or suitably amended.	Please Refer Corrigendum/Addendum-1
7	Restrictive & Anti-Competitive Condition The ATC requires the OEM/Bidder to have existing service/support facilities in all 22 districts of Andhra Pradesh (Annexure-18) at the time of bidding. This is an excessively restrictive eligibility condition that unnecessarily limits competition and effectively favors only a few incumbent or established vendors already operating in the region.	Please adhere to the Terms & Conditions of the RFP
8	Request for Amendment It is therefore requested that the requirement of having service/support facilities in all 22 districts at the bid submission stage may kindly be deleted or modified. Bidders may instead be required to establish the necessary service network after award of the contract and before commissioning, which would adequately protect the Bank's service requirements while ensuring fair competition in accordance with Government of India procurement policy.	Please adhere to the Terms & Conditions of the RFP

ANDHRA PRADESH GRAMEENA BANK

(Scheduled Bank owned by Government)

Head Office:: Guntur

RFP Ref. No.: GEM/2026/B/7692017 dated 25/06/2026

Corrigendum/Addendum-1 Dated: 13-07-2026

9	The requirement that the OEM/Bidder must have existing service/support facilities in the Bank's operational area across all 22 districts of Andhra Pradesh at the time of bid submission is highly restrictive and appears tailored to benefit only a limited number of established vendors. Such a pre-existing infrastructure requirement is contrary to the principles of GeM, GFR 2017 (Rule 144), and the Government of India's procurement policy, which mandate fair, open, transparent, and non-discriminatory competition. It also defeats the objectives of Startup India and Make in India by preventing participation of capable DPIIT-recognized Startups and Indian OEMs that can establish the required service network after award of the contract. We therefore request that this clause be suitably amended to require establishment of service/support facilities only after award of the contract and before installation/commissioning, thereby ensuring both effective after-sales support and fair competition.	Please adhere to the Terms & Conditions of the RFP
10	The ATC states that relaxation is available for MSEs/Startups; however, it simultaneously requires the bidder to have supplied a minimum of 1000 Nos. of the proposed make All-in-One Desktops to Scheduled Commercial Banks, Regional Rural Banks, or Central/State Government organizations during the last three years. This condition effectively nullifies the Startup relaxation, as it imposes the very prior supply experience that Startups are intended to be exempt from. We respectfully request the department to clarify the specific Government of India/GeM/Startup India/GFR provision permitting such a condition, or kindly exempt DPIIT-recognized Startups from this requirement to ensure the relaxation is meaningful and effective.	Please Refer Corrigendum/Addendum-1
11	he requirement for OEM/Bidders to have existing service/support facilities across all 22 districts of Andhra Pradesh at the bid stage is highly restrictive and favors only a few established vendors. Such a condition is contrary to the principles of GeM, GFR 2017 (Rule 144), and the Government of India's policy of fair, open, and non-discriminatory procurement. Capable bidders can establish the required service network after award of the contract; therefore, this clause may kindly be amended to ensure fair competition and wider participation, including DPIIT-recognized Startups and Make in India OEMs.	Please adhere to the Terms & Conditions of the RFP
