PANEL TO DEAL ATTACKS ON JOURNALISTS

DC CORRESPONDENT
VIJAYAWADA, SEPT. 30

The state government has constituted a high-power committee to address cases involving attacks, killings and harassment of journalists, reaffirming its focus on their safety and welfare.

The committee will be headed by the home minister, with I&PR minister Kolusu Parthasarathi as vice-chairman. Representatives of journalist associations and the I&PR commissioner will be members.

The government said the move followed Chief Minister Naidu's initiative to protect the values of journalism and ensure the safety of journalists, discharging their duties under difficult circumstances. Parthasarathi held several rounds of discussions with senior officials on setting up the panel, following which the government issued the GO on Wednesday.

INDUSTRIALISTS URGED TO BOOST ENTREPRENEURSHIP

DC CORRESPONDENT
VIJAYAWADA, SEPT. 30

Arya Vysya industrialists should join hands to promote large-scale entrepreneurship and contribute to the Indian economy, All India Arya Vysya Industrialists Forum president Charugundla Bhavani Suresh said.

Speaking at an interaction organised by the forum in Vijayawada on Wednesday, Suresh said the forum aimed to bring industrialists from across the country onto a common platform with the motto "connect, collaborate and grow".

More than 100 Arya Vysya industrialists and over 150 industry owners from Andhra Pradesh, besides more than 50 from Telangana, attended the meeting. They discussed business networking, new opportunities and collaboration.

Suresh urged entrepreneurs to expand operations, build global networks and adopt digital business strategies.

AP showcases AI push at southern conference

Special CS highlights faster, transparent govt services

MD ILYAS | DC
VIJAYAWADA, SEPT. 30

IGOT-MISSION KARMAYOGI

- AP highlights AI use to speed up government services.
- Nearly 5,000 tax cases worth ₹1,500 crore analysed using AI.
- Over two crore IGOT courses completed by AP staff.
- Six southern states share training and capacity-building practices.

Finance department special chief secretary (CS) Piyush Kumar explained to representatives of various states measures being taken up by Andhra Pradesh to use artificial intelligence (AI) and make government services faster and more transparent.

Making a presentation on the second day of the first Southern Regional Conference of iGOT – Mission Karmayogi, Piyush Kumar highlighted AP's initiatives in deploying AI in citizen services and public administration. He maintained that while the use of AI is increasing, human discretion remains crucial in decision-making.

The special CS called upon officials to move beyond merely enforcing rules and work towards resolving problems faced by citizens. His presentation highlighted the successful experiment with a multi-agent network in the Commercial Taxes department. Nearly 5,000 assessment cases involving around ₹1,500 crore have been analysed using AI, he pointed out.

The two-day regional workshop has been organised by the Capacity Building Commission at Dr. B.R. Ambedkar Kalaveedika in Amaravati. It focused on strengthening capabilities and skills of government employees and improving the quality of public services. Piyush Kumar stated that Andhra Pradesh has emerged as a national leader in employee capacity building, with more than two crore iGOT online courses completed by government employees.

"Chief Minister N. Chandrababu Naidu has appreciated the state's progress in skill development and especially commended AP HRD, the Planning Department, and the AP State Development Planning Society," he stated. The regional conference has provided a platform for southern states to exchange experiences and best practices, and focus on continuous learning, skill development, and technology-driven improvements in governance.

At the conclusion, representatives of six southern states exchanged best practices in training and capacity building, and discussed ways to strengthen training institutions and improve coordination between government departments and training agencies.

The conference deliberated on familiarising younger generation government employees with emerging technological challenges, expanding digital learning, and modern skills in government services.

The participants discussed an action plan for comprehensive capacity building, from training to service delivery.

HEALTHCARE INITIATIVES FOR ELEDERLY PEOPLE IN STATE

DC CORRESPONDENT
VIJAYAWADA, SEPT. 30

Andhra Pradesh government is taking up several healthcare programmes for the benefit of the aged persons during October in the state.

Health minister Satya Kumar Yadav, in a statement issued here on Wednesday to mark the United Nations International Day of Older Persons, stated their healthcare programmes for elderly include identification of health issues of aged persons in advance and provide necessary healthcare.

Those aged over 60 years would be extended special healthcare at all health centres, beginning from primary health centres to the district hospitals. At district hospitals, special wards would be set up for aged persons. Physiotherapy would be given to those unable to move properly, so that they save rehabilitation.

Special wards would be set up for the elderly in area hospitals. The minister said a team of expert doctors who visited 71 government-recognised old age homes found health, mental and lifestyle issues. 18.8% of the people surveyed suffered from depression while 9.8% frequently lost control over their body and fell down. 7.5% face memory-related issues, while 2.1% face a combination of these issues.

GAS CYLINDER BLAST NEAR NAIDU MEETING

DC CORRESPONDENT
VIJAYAWADA, SEPT. 30

A gas cylinder exploded with a loud bang near the venue of Chief Minister N. Chandrababu Naidu's public meeting at Makineneni Basavapunnaiah Stadium in Ajit Singh Nagar, Vijayawada, on Wednesday evening, triggering panic among people attending the meeting.

The explosion occurred at a lemon soda cart located a short distance from the meeting venue. The sudden blast caused concern among those present, prompting police to immediately secure the area and bring the situation under control.

Police said the cylinder had been kept at the roadside lemon soda stall and was suspected to have exploded due to intense heat. A preliminary assessment indicated that the high temperatures may have caused the cylinder to explode.

The impact sent the cylinder flying nearly 60 metres before it landed on an electricity pole, resulting in a sudden power outage in the surrounding area.

Police took precautionary measures to prevent any further incident and reassured people at the meeting venue.

Speed-control measures on greenfield highway

SAMPAT G. SAMRITAN | DC
VIJAYAWADA, SEPT. 30

With a view to curbing frequent road accidents on the recently inaugurated Khammam-Devarapalli Greenfield Highway, the NHAI plans to install surveillance cameras fitted with Automatic Number Plate Recognition system there. This would also generate challans for vehicles that cross the speed limit – 100kmph for cars and 80 kmph for trucks. Prime Minister Narendra Modi virtually inaugurated the access-controlled highway on August 1, 2026. The nearly 32.8km stretch of the access-controlled highway has a pair of surveillance cameras for every 2km distance, with one focussing on one side of the road, while the other in the opposite direction. These cameras will record the speed of vehicles and capture them by their registration numbers. The highway is also having Vehicle Actuated Speed Display system installed at regular intervals so that in case a vehicle passing by it exceeds more than the permitted speed limit of 100kmph, it indicates the speed of the vehicle in red colour as a warning.

V'wada hospital gets advanced laparoscopic sys

DC CORRESPONDENT
VIJAYAWADA, SEPT. 30

The Government General Hospital (GGH), Vijayawada, has introduced a state-of-the-art 4K 3D Cart Store laparoscopic system worth around ₹2.3 crore, strengthening its minimal access surgery facilities.

The system was inaugurated on September 30 at the Main General Surgery Operation Theatre Complex under the General Surgery department of Government Siddhartha Medical College.

Government Siddhartha Medical College principal and ADME Dr A. Edukondala Rao, GGH superintendent and ADME Dr G. Raghunandan and General Surgery department head and ADME Dr G. Padmasri attended the programme.

The advanced 4K/3D imaging system provides high-resolution images, enabling surgeons to identify tissues and minute anatomical structures more clearly during minimally invasive procedures.

The IMAGE1 S™ 4U RUBINA® camera combines 4K and 3D imaging with near-infrared fluorescence technology, allowing real-time viewing of Indocyanine Green (ICG) fluorescence. OPAL1® technology helps identify lymphatic pathways and sentinel lymph nodes without radioactive techniques, particularly in breast and certain gynaecological cancers.

Emergency laparoscopic surgery services will also be available from September 30.

Doctors said minimally invasive procedures, where clinically appropriate, could help patients recover faster and leave hospital sooner.

The facility will also offer postgraduate students and doctors training in advanced laparoscopic and fluoresce
