
**TECHNICAL MIGRATION OF
ANDHRA PRAGATHI GRAMEENA BANK &
ANDHRA PRADESH GRAMEENA VIKAS BANK
INTO ANDHRA PRADESH GRAMEENA BANK
CUSTOMER ADVISORY TO E-APGB & E-APGVB
(WITH EFFECT FROM 13.10.2025)**

1. UNIFIED PAYMENT INTERFACE (UPI)

FREQUENTLY ASKED QUESTIONS

1. I have selected “ANDHRA PRAGATHI GRAMEENA BANK” / “ANDHRA PRADESH GRAMEENA VIKAS BANK” in the UPI app, but it doesn’t find my account. What is the Reason?

As per DFS guidelines, ANDHRA PRAGATHI GRAMEENA BANK / ANDHRA PRADESH GRAMEENA VIKAS BANK has been migrated in to Andhra Pradesh Grameena Bank.

You should perform UPI registration by selecting Andhra Pradesh Grameena Bank. The registrations to be done with new Account number & Registered Mobile Number of Andhra Pradesh Grameena Bank.

2. What is the UPI registration process for the account no. in the Andhra Pradesh Grameena Bank?

To register to the UPI services.

- ✚ You should ensure your mobile number is the same as the one registered with your Bank.
- ✚ You can register into UPI through the Andhra Pradesh Grameena Bank debit card or with your Aadhaar. If you have the debit card of eAPGB / eAPGVB, the card will work for UPI registration process.
 - Customer to select “Andhra Pradesh Grameena Bank” in the UPI app for adding bank account
 - Post selection and validation of registered mobile number, the UPI app will display the last 4 digits of new account number. Customer to select the account(s)

3. Can I still use my old debit card to set UPI PIN after migration?

Yes, If you have the debit card of eAPGB / eAPGVB, the card will work for UPI registration and PIN Set Process.

4. Do I need to change my UPI PIN after re-registration?

Yes, after re-registration, you may be prompted to reset/set a new PIN.

The PIN length is “4 Numeric”

You can set UPI PIN

✚ **Through Debit card :**

- Ensure your debit card is active
- Enter your card number last 6 digits and Expiry date. Post OTP validation, UPI registration will be successful. You can happily send or receive funds.

✚ **Through Aadhaar:**

- Ensure the registered mobile number linked to your APGB account is same as the Mobile Number linked to your Aadhaar and your account should be linked to Aadhaar in the Bank before registration process.
- Enter first 6 digits of aadhaar number and your details will be validated through Aadhaar OTP. UPI registration will be successful. You can happily send or receive funds.
- New registering customers are requested to complete e-KYC process at your Home Branch for seamless UPI services.

5. Do I need to visit the branch to re-register for UPI after Bank migration?

Not required. You can perform registration for UPI through any UPI apps - BHIM, Phonepe, Bharat pe, etc.

6. In the Linked Accounts section in UPI app, do I need to delete the old UPI linked account and create a new one after the bank name changes?

- Some UPI apps automatically update the linked bank name.
- If not, you may need to:
 1. Remove the old linked account from UPI.
 2. Add and verify the account again with the updated bank name 'Andhra Pradesh Grameena Bank'.

7. Will my old UPI transactions and history be available after re-registration?

- ✚ Yes, available in history section of major of the UPI apps.
- ✚ No, If apps are reinstalled/mobile is changed.

8. After migration, can I link and manage multiple bank accounts (from the same or different banks) in UPI, and how do I select the right one?

- ✚ Yes. UPI supports linking multiple bank accounts in a single app, even across different banks.

However, In Andhra Pradesh Grameena Bank,

- ✚ If you have multiple Bank accounts under single customer details :
 - Yes, the UPI will work. Re-link accounts selecting the Andhra Pradesh Grameena Bank. You can set one default account for sending and receiving money.
- ✚ If you have multiple Bank accounts under different customer details :
 - No, the UPI will not work if same mobile numbers are linked in customer details.

9. After re-registration, any restrictions for transactions in UPI app?

- ✚ Since it's a fresh registration in the Andhra Pradesh Grameena Bank, there will be temporary cooling-off period for security reasons for 24 hours for Android users and 72 hours for IOS users. During cooling period, you can perform only one transaction with Maximum amount of Rs.5,000/-.
- ✚ After cooling period , the per transaction limit is Rs.50,000/- and Per day limit is Rs.1,00,000/-

10. Can I use UPI across different mobile platforms (iOS, Android) after migration without registering again?

You can use UPI on any platform, but each app installation needs fresh registration with New APGB Account.

11. What happens if one ANDHRA PRAGATHI GRAMEENA BANK (eAPGB) / ANDHRA PRADESH GRAMEENA VIKAS BANK (APGVB) customer has re-registered through Andhra Pradesh Grameena Bank (APGB) while another eAPGB/eAPGVB customer has not? Can the re-registered user send money to the non-registered user, and will the funds be received?

- ✚ Yes, the re-registered user can send money. However, credit of funds depends on the non-registered customer's **primary account** set in the UPI app.
- ✚ If the non-registered customer's primary UPI account is with eAPGB / eAPGVB, the funds will **not** be received.
- ✚ If the primary UPI account is with any **other bank**, the funds will be received.

Therefore, if a customer's primary account is with , **both sender and receiver must be re-registered** under the Andhra Pradesh Grameena Bank to ensure successful transactions.

12. What will happen if someone sends a payment to my old UPI ID? Will I lose any money during the transition?

Payments sent to an old or inactive UPI ID may not go through and could fail. The funds will be returned to remitter account. In case of issues, you may approach bank branch or raise e-complaints for resolution. To avoid issues, update your UPI details wherever necessary and keep track of your account activity.

13. What if I selected the old bank name during UPI registration?

- There will be no immediate impact.
- However, it is recommended to delete the old linked account from the UPI app and re-register using the updated bank name 'Andhra Pradesh Grameena Bank'.
- Ensure your mobile number is correctly registered with the correct bank.

14. I'm not receiving OTP or SMS for UPI re-registration. Why?

Please check the following:

- ✚ Your SIM is active and inserted in correct SIM slot & you have sufficient mobile balance to send/receive SMS.
- ✚ The bank has correctly linked your mobile number.
- ✚ You have to select the updated bank name (Andhra Pradesh Grameena Bank) in the UPI app.

For any clarifications, please contact your home branch.

15. Will my recurring UPI collections (e.g., salary, rent) be impacted?

- ✚ Yes. So you must share the updated UPI ID with payers.
- ✚ Old UPI IDs will stop working.

16. Why do my UPI payments fail even after successful re-registration?

Check for the following:

- ✚ Your internet connection is stable.
- ✚ Your UPI app is updated to the latest version.
- ✚ You have not exceeded your daily/weekly transaction limits.
- ✚ The recipient is also registered with UPI and able to receive funds.
